

# World Wetland Day

## SUNDAY FEBRUARY 2<sup>ND</sup> 2014

The South Coast Wetland Carers Network is teaming up with the Illawarra Birders Club to participate in the Lake Illawarra wader bird survey on World Wetland Day. Lake Illawarra is a cultural and environmental centrepiece for the Illawarra region and plays host to regionally significant flora and fauna communities.

The Illawarra Birders Club will lead us on a walk through some of these communities and we will record the data collected. You will be provided with an insight into what birds inhabit the local areas, where you are likely to find them and how to identify them.

8am - 10.30am

..... **MEETING POINT** .....

Windang Foreshore Park  
Fern Street, Windang, NSW

..... **ENDING POINT** .....

Strongs Reserve  
Reddall Parade, Warilla, NSW

//// //// followed by //// ////

## BREAKFAST ON the FORESHORE

The days activities will wrap up with a light breakfast on the foreshore of the Lake's entrance, where there will be a chance to meet and greet some of the staff and volunteers dedicated to improving the wetlands in our region.

please **RSVP** by 5pm Wednesday, 29<sup>th</sup> January 2014 to Adam Woods | [awoods@conservationvolunteers.com.au](mailto:awoods@conservationvolunteers.com.au)

\*please include numbers for catering and any dietary requirements
